## The History of Al-Fiil

In the year of the birth of Prophet Muhammad, there was a powerful and greedy ruler in Yaman called Abrahah. He was jealous, because all the Arabs were visiting the Kaaba instead of his big and beautiful building. In attempt to gain more visitors, Abrahah and his army were riding elephants from Yemen to destroy the Kaaba in Makkah so no one will visit the Kaaba anymore.

Allah then sent Ababil birds to prevent the Abrahah's army before destroying the Kaaba.\*
