I love mom and dad. they can be caretakers, teachers, coaches, doctors, therapists, personal assistants, superheroes, friends and more. Whenever something good or bad happens, They are the first one I want to tell.

When i did something bad, they tell me "don't do that again", they teach me that is wrong. sometimes, i made them mad at me, but after that they will forgive me and hug me

When i sick, my mom take care of me, give me medicine and did first aid. and my dad take me to a doctor

Dad is my real hero because he is the most special person in my life. Whenever I need his help, he is always available for me.

I thank to Allah everyday for giving me such a loving and caring parents.
