

The Wonderful Meaning of Al-Falaq

One day, Prophet Muhammad got a serious ill, then came two angles and told him that he got a black magic that was sent by someone. To release the black magic, Prophet then told his sahabah (closest friends) to find some knots that were used by someone as a tool for sending black magic. After finding it in someone's well, Prophet Muhammad recited Al - Falaq. Once Prophet recited one ayah, one knot was untyed, he recited until the last ayah of this surah, and the ill was gone.

What should we do in the night?

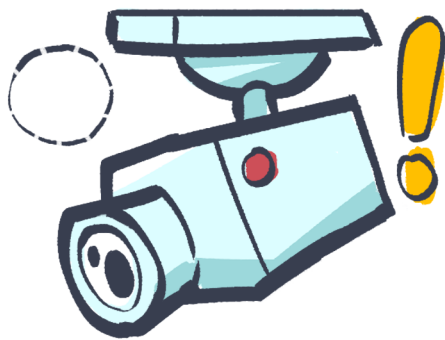

If we want to have the best protection from Allah, we need to do two things: Reciting surah Al - Falaq and do some real actions for protections. Let's mark some actions that we can do to save ourselves and our houses in the night!

Inviting stranger to sleep over

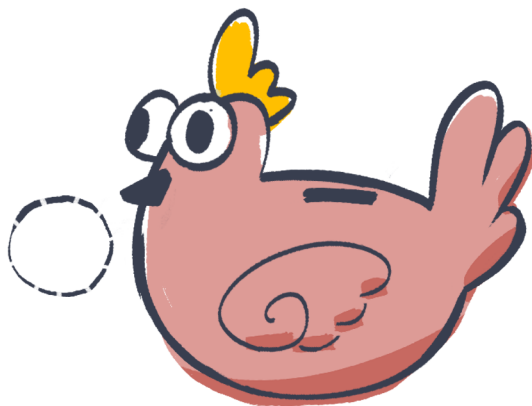

Locking the doors

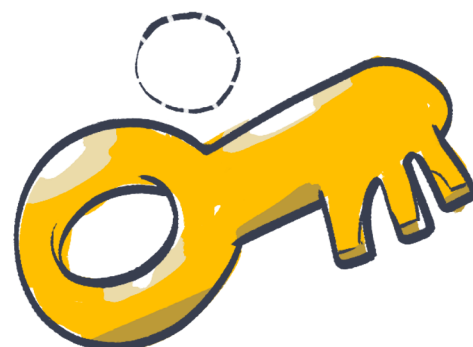

Installing security cameras

Opening the house gate

Keeping the valuables
at a safe place

Leaving a key on the door

Match these words to fix the verses!
